## **About SBS Philippines Corporation**

SBS Philippines Corporation is one of the leading chemical trader-distributor in the Philippines supplying a diverse customer base of more than 1,800 customers nationwide with 91 chemical products sourced from more than 500 suppliers.

The Company was recently admitted on the Main Board of the Philippines Stock Exchange with its shares traded under the ticker symbol "SBS".

## **Our Business**

The Company offers a comprehensive selection of chemical products to service the following industries: food ingredients, industrial, agribusiness, feeds and veterinary care, pharmaceutical, personal care and cosmetics.

It also provides value-added service to its customers by providing logistics management in sourcing, procuring, warehousing and transporting the chemical products and materials. It competes on the basis of price, product diversity, supply availability, product reliability and market compatibility.

The Company provides a one-stop-shop business solution that allows for choice and convenience to its customers. The Company engages in multiple sourcing from different chemical producers and sells a diverse and broad range of chemical products and ingredients.

Its highly diversified portfolio of products allows the Company to bundle and combine multiple orders of different products in smaller volumes, providing for a convenient stable source and "one-stop shop" single partner for the various chemical needs of its market customers. Clients are offered a full line of chemical and ingredient products on stock for which they can order in great variety and programmed for dispatch and delivery in accordance with their requirements.

The Company was incorporated on 17 July 2001 and was formerly known as Sytengco Philippines Corporation. The Company's principal place of business is at No. 10 Rest Haven Street, San Francisco Del Monte, Quezon City, Philippines.

Currently, the Company maintains a network of 15 distribution warehouses in five (5) sites in the Greater Manila Area and province of Bulacan. These storage facilities have a combined floor area of approximately 46,000 square meters and a storage capacity of over 18,000 metric tons. Such warehousing and distribution capabilities provide for opportunities for collaborations in supply chain optimization with its business partners.

## **We Understand Your Needs**

To be healthy is to be happy and productive, it's at the core of everyone's hopes and aspirations and at SBS Philippines Corporation it's an essential part of who we are. Our quality management systems allow seamless integration into our clients' businesses, providing the peace of mind that our clients crave.

## **Extensive Range of Quality Products**

Our careful selection of high-quality products from around the world gives our stakeholders in the pharmaceutical and nutraceutical industries the freedom to tailor their products and capitalize on emerging technologies and trends.

SBS Philippines Corporation provides a one-stop-shop business solution that allows for choice and convenience to its customers.

# PHARMACEUTICAL PRODUCT LINES

## VITAMINS

Ascorbic Acid  
Beta Carotene  
Biotin (Vitamin H)  
Calcium Ascorbate  
Calcium D-Panthenate  
Cholecalciferol (d3)  
Choline Bitartrate  
Choline Chloride (B4)  
Cyanocobalamin (B12)  
D Alpha Tocopheryl Acetate (natural)  
DI Alpha Tocopheryl Acetate  
Folic Acid B9  
Inositol B8  
Menadione (K3)  
Niacinamide (B3)  
Nicotinic Acid (B3)  
Panthenol (B5)  
Phytomenadione (K1)  
Pyridoxine Hydrochloride (B6)  
Retinyl Acetate  
Retinyl Palmitate  
Riboflavin (B2)  
Sodium Ascorbate  
Thiamine Hydrochloride (B1)  
Thiamine Mononitrate (B1)

## MINERAL SALTS

Calcium Carbonate  
Calcium Chloride  
Calcium Hydroxide  
Calcium Sulphate  
Ferrous Gluconate  
Magnesium Carbonate  
Magnesium Chloride  
Magnesium Oxide heavy  
Potassium Carbonate  
Potassium Bicarbonate  
Potassium Chloride  
Potassium Gluconate  
Sodium Chloride

## ANTIOXIDANTS

Ascorbic Acid  
Ascorbyl Palmitate  
Butyl Hydroxyanisole (BHA)  
Butyl Hydroxytoluene (BHT)  
Caffeine  
Calcium Ascorbate

Co-Enzyme Q10  
Erythorbic Acid  
Lycopene  
Sodium Ascorbate  
Sodium Erythorbate  
Tert-Butylhydroquinone (TBHQ)

## FLAVOURS & FLAVOUR ENHANCERS

Caramel  
Disodium 5' Ribonucleotides (I+G)  
Disodium Guanylate (GMP)  
Disodium Inosinate (IMP)  
Menthol Crystals  
Monosodium Glutamate (MSG)  
Vanillin

## THICKENERS, STABILISERS & GUMS

Acacia Gum  
Agar  
Arabic Gum  
Calcium Alginate  
Carboxymethyl Cellulose  
Carrageenan  
Corn Starch  
Dextrine  
Gelatin  
Gellan Gum  
Guar Gum

Hydroxypropyl Methyl Cellulose (HPMC)  
Locust Bean Gum  
Microcrystalline Cellulose  
Polydextrose  
Potato Starch  
Sodium Alginate  
Tannic Acid  
Tapioca Starch  
Tragacanth Gum  
Xanthan Gum

#### **HUMECTANTS**

Glycerine  
Maltitol  
Mannitol  
Polydextrose  
Propylene Glycol  
Sorbitol  
Sorbitol  
Triacetin  
Xylitol

#### **PRESERVATIVES**

Benzoic Acid  
Butyl Hydroxyanisole (BHA)  
Butyl Hydroxytoluene (BHT)  
Calcium Propionate  
Calcium Sorbate  
Lycopene  
Methyl Paraben  
Potassium Nitrate  
Potassium Sorbate  
Potassium Sulphite  
Propyl Paraben  
Sodium Benzoate  
Sodium Metabisulphite  
Sodium Nitrate (Nitrate of Soda)  
Sodium Nitrite  
Sodium Propionate  
Sodium Sulphite  
Sorbic Acid

#### **SWEETENERS**

Acesulphame Potassium  
Aspartame  
Dextrose - Mono / Anhydrous  
Fructose  
Glucose Syrup  
Maltitol  
Maltodextrin  
Mannitol  
Sodium Saccharin  
Sorbitol 70%  
Steviol Glycoside  
Sucralose

#### **FOOD ACIDS/ ACIDITY REGULATOR**

Acetic Acid  
Adipic Acid  
Ascorbic Acid  
Calcium Acetate  
Calcium Citrate  
Calcium Gluconate  
Calcium Hydroxide  
Calcium Lactate  
Calcium Oxide  
Citric Acid  
Cream of Tartar  
Fumaric Acid  
Gluconic Acid  
Glucono-D-Lactone  
Lactic Acid  
Magnesium Carbonate  
Malic Acid  
Metatartaric Acid  
Phosphoric Acid  
Potassium Acetate  
Potassium Carbonate  
Potassium Citrate  
Potassium Fumarate  
Potassium Lactate  
Sodium Acetate  
Sodium Bicarbonate  
Sodium Carbonate (Soda Ash)  
Sodium Citrate  
Sodium Diacetate  
Sodium Fumarate  
Sodium Lactate  
Tartaric Acid

SBS ENGAGES IN  
**MULTIPLE SOURCING** FROM  
DIFFERENT CHEMICAL PRODUCERS AND  
**SELLS A DIVERSE AND BROAD RANGE** OF  
CHEMICAL PRODUCTS AND INGREDIENTS.

## **PHOSPHATES**

Diammonium Phosphate (DAP)  
Dicalcium Phosphate (DCP)  
Dipotassium Phosphate (DKP)  
Disodium Phosphate (DSP)  
Ferric Pyrophosphate (FFP)  
Magnesium Phosphates  
Monoammonium Phosphate (MAP)  
Monocalcium Phosphate (MCP)  
Monopotassium Phosphate (MKP)  
Monosodium Phosphate (MSP)  
Potassium Metaphosphate  
Potassium Pyrophosphate  
Potassium Tripolyphosphate (KTPP)  
Sodium Acid Pyrophosphate (SAPP)  
Sodium Aluminium Phosphate (SALP)  
Sodium Hexametaphosphate (SHMP)  
Sodium Metaphosphate  
Sodium Tripolyphosphate (STPP)  
Tetrapotassium Pyrophosphate (TKPP)  
Tetrasodium Pyrophosphate (TSPP)  
Tricalcium Phosphates (TCP)

Tripotassium Phosphate (TKP)  
Trisodium Phosphate (TSP)

## **ESSENTIAL & VEGETABLE OILS**

Citronella  
Lavander oil  
Peppermint Oil  
Eucalyptus Oil  
Coconut Oil  
Cod Liver Oil  
Grapeseed Oil  
Hydrogenated Vegetable Oil  
Mineral Oil  
Palm Oil  
Palm Olefin  
Soyabean Oil

## **HERB & SPICE EXTRACTS**

Spearmint  
Vanilla  
Vetivert  
White Pepper

## **NATURAL COLOURS**

Activated Carbon  
Turmeric

## **EMULSIFIER**

Choline Chloride  
Polysorbate 60  
Polysorbate 65  
Polysorbate 80  
Sorbitan Monosterarate  
Sorbitan Tristearate  
Soya Lecithin  
Sunflower Lecithin

## **DAIRY PRODUCTS**

Butter Milk Powder  
Calcium Caseinate  
Full Cream Milk Powder  
Lactic Casein  
Lactose

**AT SBS PHILIPPINES  
CLIENTS ARE OFFERED  
A FULL LINE OF CHEMICAL  
AND INGREDIENT PRODUCTS  
ON STOCK FOR WHICH THEY CAN  
ORDER IN GREAT VARIETY AND  
PROGRAMMED FOR DISPATCH AND  
DELIVERY IN ACCORDANCE WITH THEIR  
REQUIREMENTS.**

Rennet Casein  
Skim Milk Powder  
Sodium Caseinate  
Whey Powder  
Whey Protein

#### **AMINO ACIDS**

Alanine  
Arginine  
Aspartic Acid  
Carnitine  
Carnosine  
Cysteine  
Cysteine Hydrochloride  
Cystine  
Glutamic Acid  
Glutamine  
Glycine  
Histidine  
Isoleucine  
Leucine  
Lysine  
Methionine  
Phenylalanine  
Proline  
Serine  
Taurine  
Theanine  
Threonine  
Tryptophan  
Tyrosine  
Valine

#### **PROCESSING AID / FINING**

Activated Carbon  
Bentonite  
Calcium Bentonite  
Calcium Carbonate  
Calcium Sulphate  
Colloidal Silica  
Croscarmellose Sodium  
Diatomaceous Earth  
Gelatine  
Polyvinyl Polypyrrolidone (PVPP)  
Potassium Bitartrate (Cream of Tartar)  
Silicon Dioxide  
Sodium Bentonite

#### **CLEANING / SANITATION**

Calcium Chloride  
Citric Acid  
EDTA  
Hydrochloric Acid  
Hydrogen Peroxide  
Nitric Acid  
Peracetic Acid  
Phosphoric Acid  
Potassium Hydroxide (Caustic Potash)  
Sodium Hydroxide (Caustic Soda)  
Sodium Metabisulphite

#### **WAXES/FATTY ACIDS**

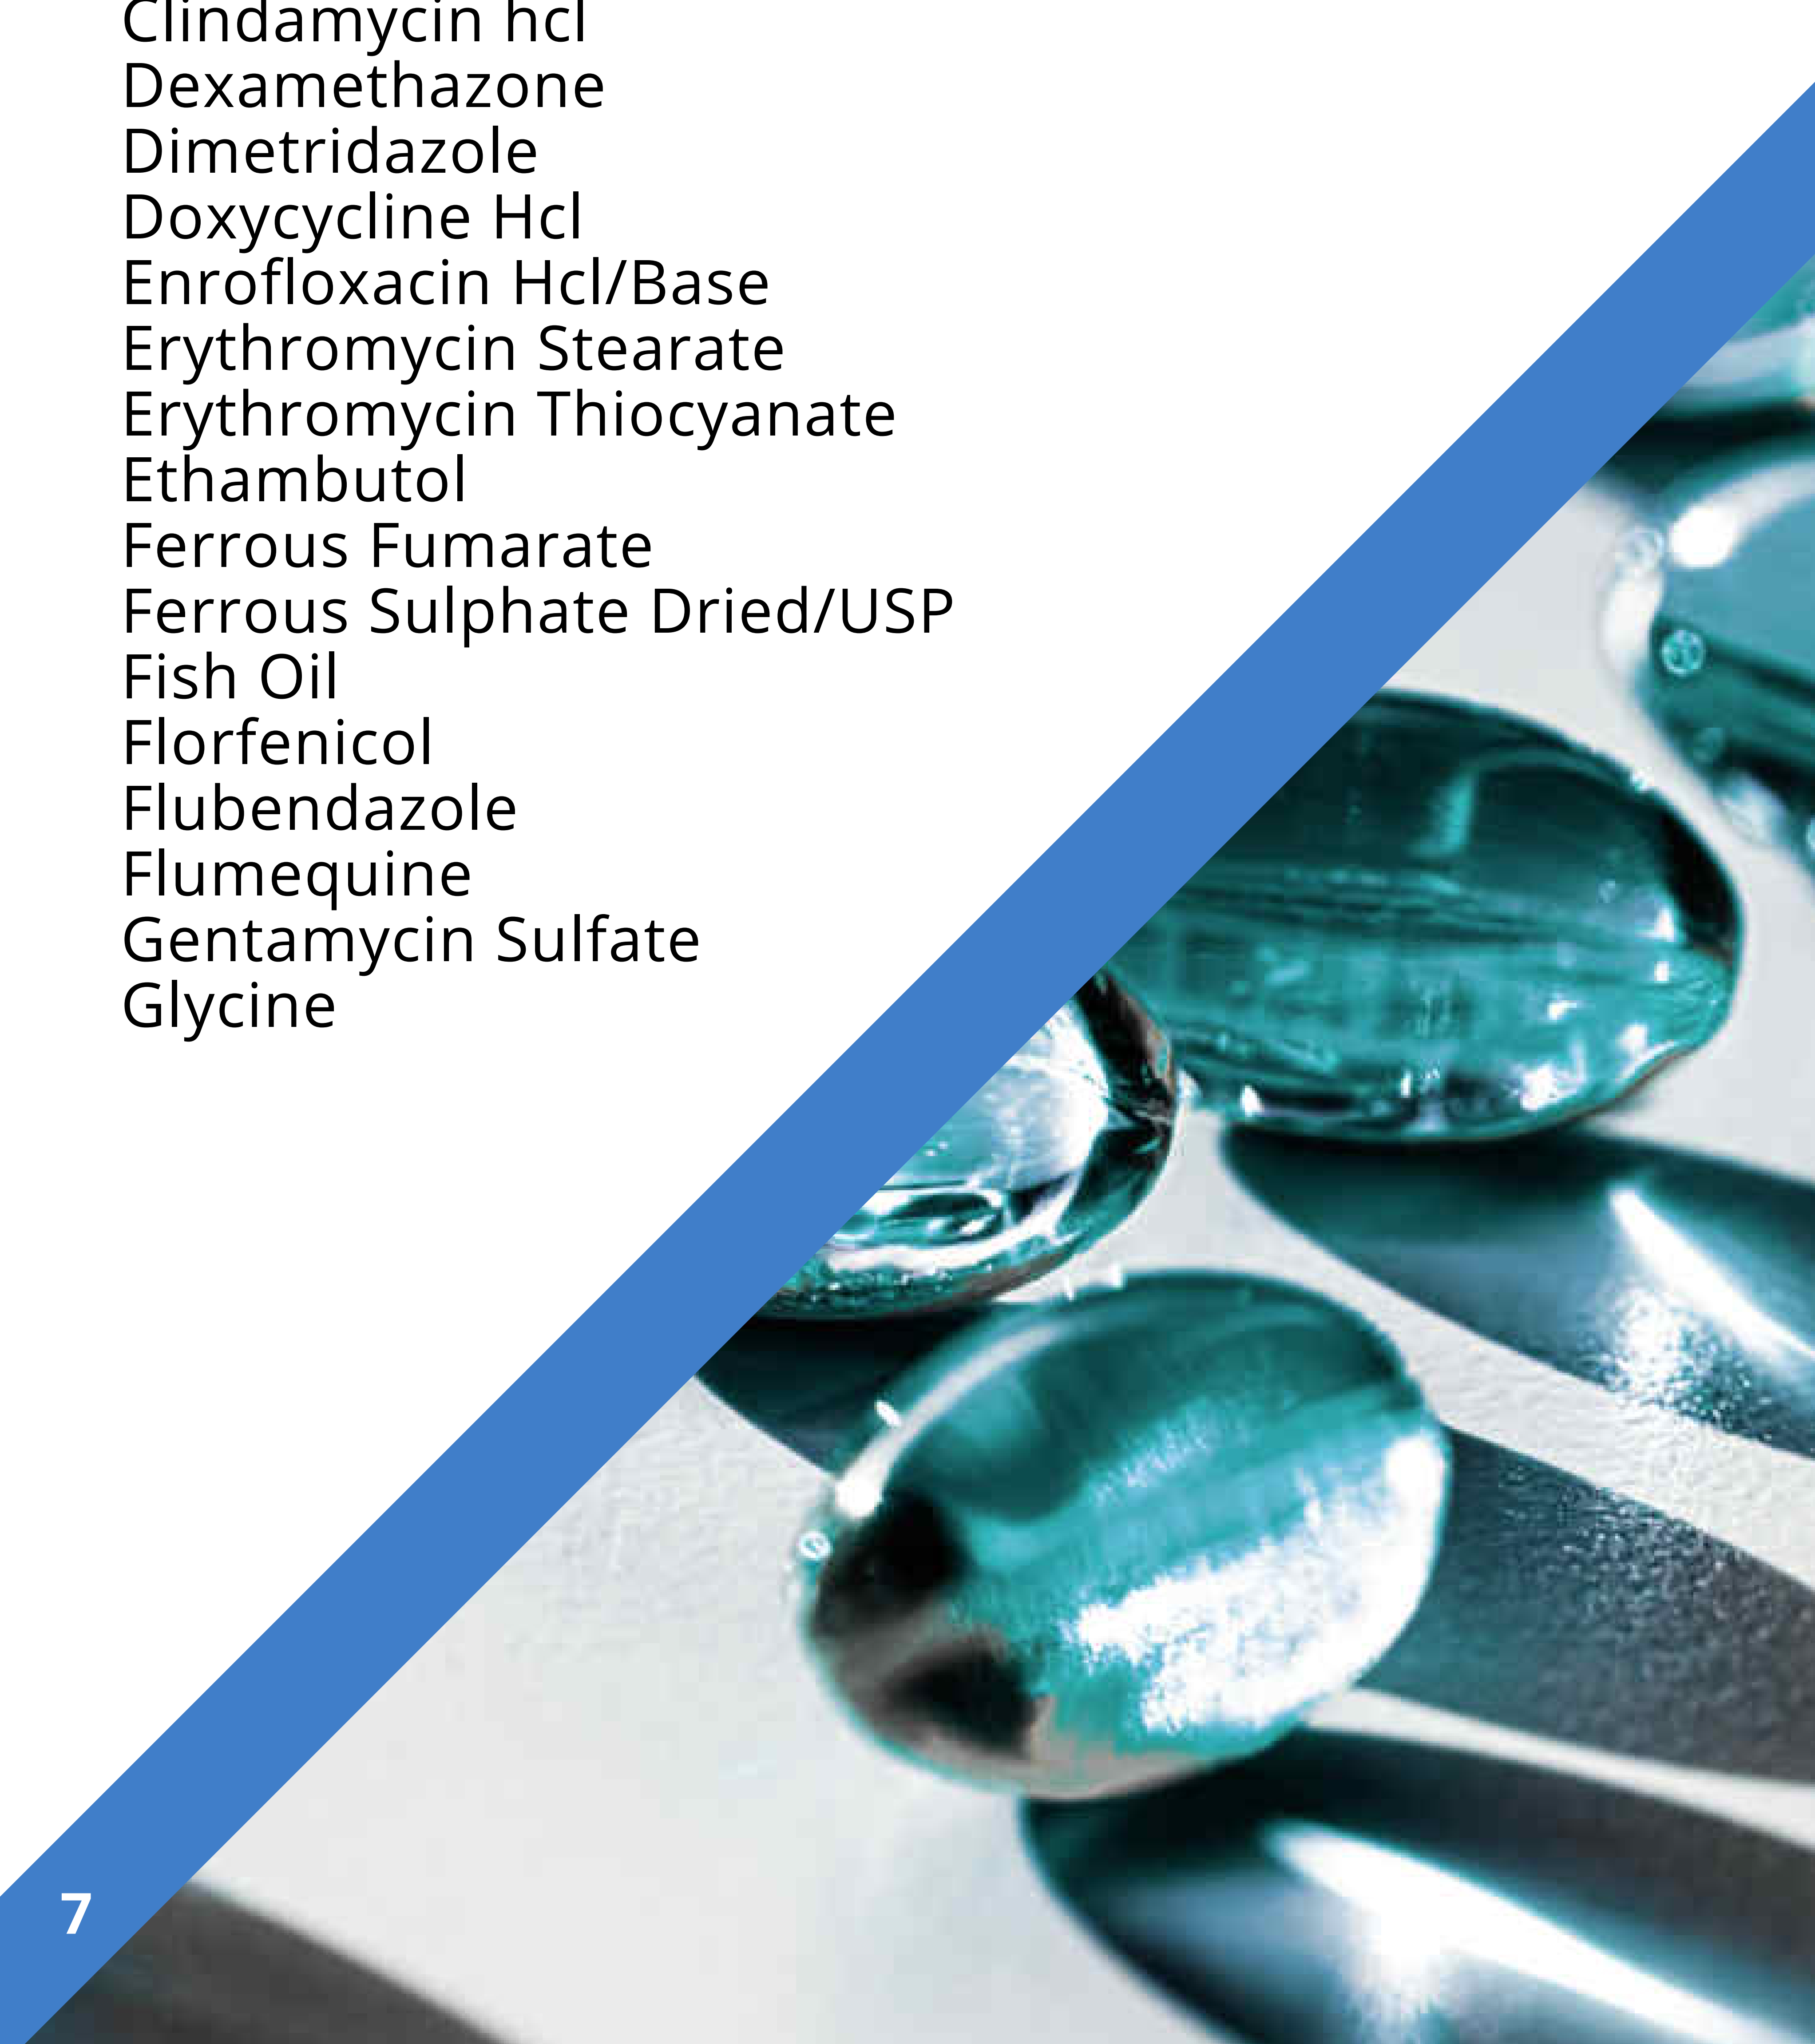

Alpha Linolenic Acid (Omega 3)  
Beeswax  
Carnauba Wax  
Linoleic Acid (Omega 6)  
Microcrystalline Wax  
Omega 3 Fatty Acids  
Stearic Acid

#### **FUNCTIONAL PRODUCTS**

Chondroitin Sulphate Sodium - Bovine  
Chondroitin Sulphate Sodium - Shark  
Dimethyl Sulfone  
Glucosamine HCl  
Glucosamine Potassium Chloride  
Glucosamine Sulphate Sodium  
Glucosamine Sulphate Sodium Cocrystallised

#### **API**

Ambroxol  
Amoxicillin Trihydrate  
powder/compacted/micronized  
Ampicillin  
Amprolium Hcl  
Aspirin  
Caffeine Anhydrous  
Calcium Gluconate  
Cephalexine Monohydrate/Powder/compacted  
Chloramphenicol Base / Palmitate  
Chlorella  
Chlortetracycline Hcl / 15%  
Chromium Picolinate  
Ciprofloxacin base/hcl  
Clindamycin hcl  
Dexamethazone  
Dimetridazole  
Doxycycline Hcl  
Enrofloxacin Hcl/Base  
Erythromycin Stearate  
Erythromycin Thiocyanate  
Ethambutol  
Ferrous Fumarate  
Ferrous Sulphate Dried/USP  
Fish Oil  
Florfenicol  
Flubendazole  
Flumequine  
Gentamycin Sulfate  
Glycine

Hydrocortisone  
Hydroquinone  
Kanamycin  
Kitasamycin  
Magnesium Chloride Flakes  
Magnesium Hydroxide  
Magnesium Silicate  
Magnesium Sulfate  
Mefenamic Acid Powder/ Compacted/  
Micronized  
Methyl Salicylate  
Metronidazole  
Minoxidil  
Niclosamide BP/USP  
Norfloxacin Base/ HCl/ Nicotinate  
Nystatin  
Oxytetracycline Base/Hcl  
Paracetamol USP/ BP  
Pefloxacin Mesylate Dihydrate  
Penicillin G. Sodium/Procaine  
Penicillin V Potassium ( Pen V. K.)  
Potassium Citrate Tribasic USP/ BP/ NFC  
Potassium Iodate  
Potassium Iodide  
Povidone Iodine  
Prednisone / Prednisolone  
Propylene Glycol USP/ Tech/ Food Gr.  
S-carboxymethyl-L-Cysteine  
Salbutamol Sulfate  
Sodium Sulfadiazine  
Sodium Sulfamethazine  
Sodium  
Sulfamonomethoxine/Sulfadimethoxine  
Spectinomycin Di HCl Pentahydrate USP  
Spectinomycin Sulfate  
Streptomycin Sulfate Sterile/ Oral  
Sulfadiazine  
Sulfadimidine/Sulfamethazine  
Sulfamethoxazole (SMX)  
Sulfaquinoxaline Base / Sodium  
Taurine  
Tiamulin/Tiamulin Hydrogen Fumarate 98%  
Tilmicosin Phosphate  
Trimethoprim (TMP)  
Tylosin Tartrate / Phosphate

**SBS PROVIDES VALUE-ADDED  
SERVICE TO ITS CUSTOMERS  
BY PROVIDING LOGISTICS  
MANAGEMENT IN  
SOURCING, PROCURING,  
WAREHOUSING AND  
TRANSPORTING THE  
CHEMICAL PRODUCTS  
AND MATERIALS.**

# PRODUCT LINES

SBS PHILIPPINES CORPORATION supplies more than 3,000 different chemicals and ingredients to clients throughout the Philippines.

Our range is sourced from quality raw material manufacturers worldwide and supplied to clients in different industries.

We know and understand the complexities of your market and act to ensure you receive the best products to allow your business to thrive. The range of services includes bulk commodity chemicals, where our efficient logistics network and broad sourcing ability make the difference to specialty ingredients, where innovation and knowledge are essential.

Clients have the choice of solid, liquid, and gaseous forms and a broad range of secure packaging and tailored transportation options designed to maximize efficiency, product integrity, and safety. From small sachets to bags, bulk bags, bulk powder to carboys, drums, IBC's/ Totes to liquid bulk tankers, SBS Philippines Corporation offers the flexibility and convenience that your business demands.

## **Food Ingredients**

SBS Philippines Corporation continues to add value to the Agribusiness, Feeds and Veterinary Care sectors by offering an extensive range of raw materials for formulators and manufacturers. We continually seek new sources of materials to improve the quality of our customers' products and lower their costs.

## **Pharmaceutical**

Our careful selection of quality products from all corners of the globe allow our stakeholders

in the Pharmaceutical and Nutraceutical sectors the freedom to tailor their products and take advantage of innovative technologies and trends.

## **Personal Care and Cosmetics**

Our careful selection of quality products developed through new technologies from all the corners of the globe allow formulators in the Personal Care and Cosmetics sectors to tailor their products according to the needs of their clients.

## **Home Care & Detergents**

Our detergent customers use our quality materials to manufacture products for Industrial, Institutional, and Consumer markets.

## **Water & Wastewater Treatment**

For the safest and cleanest water, we supply quality water treatment chemicals such as:

- Flocculants
- pH adjusters
- Filter media
- Scale inhibitors
- Fluoridation additives
- Organophosphates and biocides
- Ion Exchange Resins

## **Agriculture & Sustainable Bio-Farming**

SBS Philippines Corporation continues to add value to the supply chain with critical relationships with the Crop Nutrition, Horticulture, and Protection sectors. Our product range includes:

- Raw materials and Trace Elements
- Improvers for broad acre and drip delivery
- Growth mediums for Horticulture and Potting soils.

- Herbicides, fungicides and other foliar applications.

### Building & Construction

SBS Philippines Corporation products are utilized in the manufacture and treatment of: Asphalt, Bricks, Concrete, Insulation, Timber, Fiberglass and more.

### Animal Health & Nutrition

Our wide range of products plays a vital role in the stock feed, aquaculture, pet food, and veterinary health markets. We provide;

- Amino acids and proteins
- Feed improvers, enzymes and preservatives
- Vitamins, trace elements and minerals

### Industrial

Industrial chemicals are widely applied in a variety of sectors, and there is no question that these chemicals are essential to industrial production and considerably improve our quality of life. SBS Philippines Corporation has a long history of delivering high-quality raw materials all areas of the industry.

### Tanning & Textiles

Our experienced personnel makes SBS Philippines Corporation a market leader in sourcing and distributing commodity chemicals to the tanneries and textile plants of the region.

### Surface Coatings

An integral supplier of raw materials used in the Surface Coating industry, including:

- Fillers
- Pigments
- Solvents
- Oxides
- Amines
- Acids
- Glycols and resins

### Mining, Oil & Gas

SBS Philippines Corporation has long been a key partner of the mining industry, with experience catering to the needs of gold, silver, tin, nickel, zinc, copper, coal, lead, vanadium, uranium, rare earth and oil & gas miners and processors.

### Metallurgy

SBS Philippines Corporation is active in the Steel, Galvanising, Refractory and Electroplating Industries.

### Plastic, Rubber & Foam

Through our trusted partners in the plastics and rubber industry, we deliver real value and a fresh approach to meeting our customer's needs in a dynamic market. Our principals are leaders in their respective products, allowing us to deliver the broadest range of quality materials at a price that will enable you to thrive.
